3. CSi Cable TV Rate Change Notice
for Existing Customers Feb 1, 2012 - Jamestown and Valley City

The Federal government created a system called "retransmission consent" which allows the over-the-air broadcast TV stations of **KVLY, KXJB, WDAY, and KJRR** to charge cable viewers a fee. The four Fargo TV stations **combined** want an additional \$3/mth this year or they will not allow us to carry their stations. We had no choice but to agree to their demands. At CSi our commitment to our customers is to provide quality television at an affordable price. The continued increases in labor, postage, program fees, taxes, and other expenses have created the need to increase our rates, \$3 for the broadcast stations and \$1 for the cable networks, like Fox Sports and others. We get nothing out of this increase. Complaints about the so-called "free TV" stations charging should be directed to the station and to the Fargo office of US Senator John Hoeven, as the FCC is beginning a review of this practice by over-the-air broadcast TV stations.

Effective **Feb 1, 2012**, CSi 80+ Classic Cable TV will increase \$4 per month plus City & FCC fees, and our Lifeline Basic Service (limited service) will increase \$3 per month plus City & FCC fees. The increase will be reflected on your next bill from Cable Services.

CSi - No monthly charge for extra outlets - No Boxes - No Contracts - No gimmicks.
